The CLM FB followers were asked to share theme topics, games, activities, and anything else related to Christmas that would work for church women's groups. Big ideas and small ideas!

Okay, I'll start. I saw an idea over on Pinterest to do a Christmas Sock Exchange. I thought that might be cute to do. Here's the url to the idea.

Our group has always done "Christmas in the Country". It is big and pretty but we wanted something better this year. It will be "Christmas for a Country" and it will be a way to raise funds for an upcoming mission trip to Mexico to supply medical supplies.

I like the idea of an all-white Christmas party, like what I've pinned on this board. <http://www.pinterest.com/ministr.../white-christmas-banquet/> and doing a hot chocolate bar <http://www.pinterest.com/ministrymamas/hot-chocolate-bar/>

Another thought I had this year was doing a "Baby Shower for Jesus" which included buying new and updated things for the church nursery or toddlers class at church.

We have a big Christmas brunch with food, music, interaction and a special speaker.

We are having a Birthday party for Jesus this year. We do a \$10 gift exchange and each lady gets a recipe card in Nov. to include their favorite recipe for whoever is the lucky recipient of their gift. One year we sang the Twelve Days of Christmas, giving each lady a part to sing. Another year we acted out the Carol drawn from a slip for the rest to guess. We had two teams of ladies last year "gift wrap" the leaders of the two teams. We always take a group picture in front of our tree with an inspirational sign. Last year was peace, this year will be Hope. We are a small group but we are close and we have fun!

We also have a Christmas brunch and collect items for a local Food Pantry. We will be making a small Christmas craft/ornament. I love to decorate for this event!!

Our church does a birthday party for Jesus. They give gifts to 20 or more families for their children. The families also get a food basket. I love that we do this.

We used the devotion "A Bad Cup of Coffee" only I changed the wording to Hot Chocolate. Then we did a hot chocolate mix bar and placed them in a mug brought by each woman. Then we exchanged the mugs with a drawing and each woman took one home.

Old Fashioned Christmas.

Our women's ministry does what we call "Soups On!". We have people make crockpots of soup and bring them and have a free buffet of soups. We have crackers and cheese, bread, water, etc. Then we have each women bring cookies and we do a big cookie exchange!

Our ladies ministry this year wants to host a "dinner with the King". We want to have it be a nice gala type event and have a designated throne for our guest of honor, the King of kings. Not sure of many details yet...

One thing we do EVERY Christmas is an annual Christmas card. People in the church give a donation and write a greeting to others in church. All monies collected go to Elkhorn Valley Christian service camp.

This will be our second year holding 'preparing for advent'....a 'space' for women to enjoy craft, cookery and time of reflection...a time of quiet before the busyness of Christmas.
