## INTRODUCTION

I am always awed and amazed at the birds, the critters, the flowers, the trees, the wind, the oceans, and all the incredible things on earth that God has made. These beautiful things are a constant source of wisdom for me.

I hope you will enjoy reading through these devotionals and reflecting on some of the amazing wonders that the Lord has put there for us to learn from and to admire.

*O LORD, how manifold are thy works!  
in wisdom hast thou made them all:  
the earth is full of thy riches. Psalm 104:24*
