These tips were taken from the *General Coordinator Planning Guide* in my event planning material, *Successful Event Planning*.

## **1. Enlist Others**

Enlist others to pray along with you.

## **2. Prayer List**

Put the event on your church prayer list.

## **3. Prayer Schedule**

Make a prayer schedule divided up between the ladies of your church for the weeks and months leading up to your event.

## **4. Prayer Meetings**

Schedule special prayer meetings for your church ladies group to pray specifically for your event.

## **5. Prayer Clock**

Make a prayer clock schedule for the week prior to the event and have your ladies sign up to pray at specific hours of the day.
