Person to Person

Most of us never make *person to person* calls anymore. They are pretty much a thing of the past with cell phones in our pockets these days, but at one time you made those calls to make sure you were talking specifically to the person you wanted to reach. Back when phone calls were expensive, a *person to person* call kept you from being charged until you actually spoke to that "person".

- Aren't you glad you can make a *person to person* call to the Lord?
 - He is always there.
 - He is always willing to talk.
 - He is always willing to listen.
 - It's a free connection with the *Salvation Plan*.
- Jeremiah 33:3

It's a Party Line

Remember party lines? It was when your telephone was connected to a few neighbors, and you had to wait until they were finished with their call to make your call. It was a shared line.

- Fellowship with other Christians is a good type of *party line*!
- 1 Thessalonians 5:11
- Hebrews 10:25
- Matthew 18:20

Private Conversations & Prayer Closets

Sometimes we need to have private conversations with others, just to be prudent or to bare our personal thoughts. Sometimes we need those conversations with our Lord as well.

- Matthew 6:6
 - Prayer closets have good acoustics.
 - It's easy to talk and hear the Lord inside!
 - Prayer closets are powerful.
 - Results come from entering!
 - Prayer closets relieve stress.
 - You can leave your burdens there!
 - Philippians 4:6, 7

Conversations are Important

- 1 Peter 1:15
- 1 Timothy 4:12
- Ephesians 4:22
- Philippians 1:27

Answer the Call

- Isaiah (Isaiah 6:8)
- Abraham (Genesis 22:1)
- Moses (Exodus 3:4)
- Samuel (1 Samuel 3:4)

Permission Details for "Starters" & Writing Prompts:

You may not reproduce the "starters" or writing prompts as is. You must add and contribute to the content and make your own devotional/article with them before sharing. The end result should be your own thoughts done with your own words. The "starters" and writing prompts are offered as an outline/skeleton base to build upon with your own writing on top of the "starter". Think of them as a "starter" for bread. Your loaf will always turn out a little differently even if others use the same starter as you. Be creative and bake your own loaf!
