Permission Details for “Starters” & Writing Prompts:

You may not reproduce the “starters” or writing prompts as is. You must add and contribute to the content and make your own devotional/article with them before sharing. The end result should be your own thoughts done with your own words. The “starters” and writing prompts are offered as an outline/skeleton base to build upon with your own writing on top of the “starter”. Think of them as a “starter” for bread. Your loaf will always turn out a little differently even if others use the same starter as you. Be creative and bake your own loaf!
