- Emphasize being a godly lady in each area.

Ladies First

- Making being a godly lady a priority.
- Schedule in Bible reading and prayer.
- Don't let your goals in this area get set aside.

Flying Ladybugs

- Don't *fly off the handle*. It's not becoming of a godly "lady".
- Don't *fly blind*. Know God's Word. Know what the Lord expects of you as a Christian "lady". Read the instructions!
- Don't *fly by the seat of your pants*. Don't just barely get by as a Christian "lady". Dig into God's Word. Don't half live the Christian life.

Coping with the Things that Bug us

- How do you handle pressure?
- How do you handle little things that pop up in your daily life?
- How do you handle other people that bug you?
- How do you handle other people that bug the people that you love?
- How do you handle pet peeves that bug you?
- How do you handle unanswered prayer or prayers that are not answered in the way you would like?

Spot On!

- *Blind Spots* - What's throwing you off from being the type of "lady" you should be? What keeps you from seeing your path clearly?
- *In a Tight Spot* - Ever feel backed into a tight spot and don't know where to turn? Is there something that is keeping your "lady" wings from flying? That's the time to pray! Just give it over to the Lord.

- *Hot Spot* - What areas get you angry and hot under the collar? What creeps up to keep you from being a godly "lady"?
- *Soft Spot* - What do you have a soft spot for? Is there something that you have a weakness for when it comes to sin and getting away from God and keeps you from being that holy, godly "lady"? Is there something that makes you vulnerable and an easy target for Satan to step in and say, "Hey, this will work on her!"?
- *Change your Spots* - We can't change our own "spots". Only the Lord can change us and help turn us into godly "ladies".
- *Conclusion*----Stay in the *Sweet Spot*. Stay close to the Lord and all those other spots will become easier to work with. Keep in the Word. Keep praying. It will keep you staying "spot on"!

Devotional Starter Terms of Use:

Feel free to add and expand upon this material to complete your own devotionals and lessons, but please do not share the material as is.

I ask for the sake of the women's ministry leaders and pastor's wives that gather ideas here, that you do not print your finished devotionals online. It will help keep a fresh take for the ladies that attend our women's ministry events (banquets, conferences, retreats, etc.). We don't want what you share in person to be something your guests have already read on Facebook or a blog somewhere or saw on Pinterest. Let's keep it fresh!
