

Eyes Event Theme

Our eyes are one of those things that the Lord gave us that we must be ever so diligent in using. Don't you think? We look and see with our eyes, so we must be very careful of what comes into our views. That's why I think this can make a great women's ministry theme for an event. We all must be careful about our eyes.

I know it is really easy to lose focus and get our eyes off things that are important, so I guess we all need that personal spiritual eye checkup once in a while.
