

# Beauty Shop/Salon

Julia Bettencourt

Personally, I love going to the beauty salon and getting my hair cut. There is just something about all that load that is lifted when all the hair starts falling off and I feel like I am myself again. There is always this spring in my step as I walk out the door!

I think this can make one of those fun themes for women to bond and relax in their friendships.

Also, how cute would this theme be for a little girl's birthday party!
